IVUS 2018
International Conference on Information Technology

CALL FOR PAPERS

ICYRIME

THE 3RD CONFERENCE FOR YOUNG RESEARCHERS IN INFORMATICS, MATHEMATICS, AND ENGINEERING ICYRIME2018

APRIL 27, 2018
KAUNAS, LITHUANIA

23rd Conference „Information Society and University Studies" IVUS2018 is a joint co-located event that brings together three conferences and is aimed at Master & PhD students as well as at young scientists at the beginning of their career to share ideas, present research results and provide new scientific opportunities. The participation of researchers and practitioners of the field is also encouraged.

The International Conference for Young Researchers in Informatics, Mathematics, and Engineering ICYRIME2018 is an international conference reserved to young scientists moving their first steps as autonomous authors and contributors in the field of Technology, Computer Science, Engineering, Informatics, Electronics, Math and applied sciences. It is organized by University of Catania, Catania, Italy since 2016.

SUBMISSION AND REVIEW PROCESS

Manuscripts should be written in English. A manuscript should not exceed more than 5000 words and 12 pages, with the IEEE conference template. All the papers must be submitted to and will be handled through the conference web site http://www.knf.vu.lt/icyrime2018 and accompanied by the Copyright Transfer Form (for the camera ready submission of accepted papers). Submissions must be original and should not have been published previously. Submitted papers must conform to the format of proceedings publication. All papers will be peer-reviewed by the International Program Committee, judged with respect to their quality, originality, and relevance to session topics. The reviewing process of submitted papers will be single-blind. The final version of the paper must be prepared and resubmitted considering the remarks of the reviewer.

TOPICS

Authors are invited to submit full papers describing original research work associated with Information and Software Technologies in areas including but not limited to:

- Information Systems and Databases
- Smart Systems and Environments
- Software Engineering
- Information Technology Applications
- Language Recognition Technologies
- Formal and Mathematical Methods
- Artificial Intelligence and Knowledge Engineering

IMPORTANT DATES

~~12 02 2018~~   Paper submission deadline
28 02 2018 - Submission deadline **EXTENDED**
20 03 2018 – Notification of paper acceptance
27 03 2018 – Camera ready papers for pre-proceedings
27 04 2018 – Conference & online sessions
11 05 2018 – Camera ready papers for post-proceedings
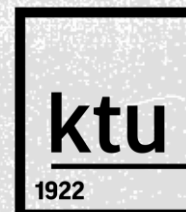

PUBLICATION

Authors are invited to submit their papers in English through the conference submission system. Conference pre-proceedings will be published in a printed conference proceedings book with ISSN 2029-249X. After the conference the authors will have the opportunity to revise and extend their papers. Conference post-proceedings (selected papers) will be published online in CEUR WS. Papers will be published only of authors who take part in the conference. For further details, please consult the conference web page.

FEES AND ATTENDANCE

The attendance of conference is free. Local authors will deliver presentations in a traditional form. The remote presenters can present their papers using the teleconferencing system (webinar). The official language of the joint conference is English.

EDITORS OF PROCEEDINGS

Audrius Lopata, Vilnius University, Kaunas faculty, Lithuania
Robertas Damaševičius, Kaunas University of Technology, Lithuania
Tomas Krilavičius, Vytautas Magnus University
Marcin Woźniak, Silesian University of Technology, Poland
Christian Napoli, University of Catania, Italy
Giacomo Capizzi, University of Catania, Italy

Vilniaus Universitetas · 1579 · Universitas Vilnensis
