

**THE 3<sup>RD</sup> SYMPOSIUM FOR YOUNG SCIENTISTS IN TECHNOLOGY,  
ENGINEERING AND MATHEMATICS SYSTEM2018**

**MAY 29, 2018  
GLIWICE, POLAND**

23rd Conference „Information Society and University Studies“ IVUS2018 is a joint co-located event that brings together three conferences and is aimed at Master & PhD students as well as at young scientists at the beginning of their career to share ideas, present research results and provide new scientific opportunities. The participation of researchers and practitioners of the field is also encouraged.

The Symposium for Young Scientists in Technology, Engineering and Mathematics SYSTEM2018 is an international symposium for young scientists organized by Silesian University of Technology, Gliwice, Poland since 2016.

**SUBMISSION AND REVIEW PROCESS**

Manuscripts should be written in English. A manuscript should not exceed more than 5000 words and 12 pages, with the IEEE conference template. All the papers must be submitted to and will be handled through the conference web site <http://knf.vu.lt/system2018> and accompanied by the Copyright Transfer Form (for the camera ready submission of accepted papers). Submissions must be original and should not have been published previously. Submitted papers must conform to the format of proceedings publication. All papers will be peer-reviewed by the International Program Committee, judged with respect to their quality, originality, and relevance to session topics. The reviewing process of submitted papers will be single-blind. The final version of the paper must be prepared and resubmitted considering the remarks of the reviewer.
