AGUSTÍN ROSA

Communicator & Creative

Master in Social Communication,
Complutense University of Madrid.

Degree in **Marketing Research**
ESCI International Trade School in Barcelona.

Agustín Rosa (1983) is a professional in **Public Speaking, Communication and Events**. He has worked for International Universities, companies and Startups around Europe. Doing conferences and trainings for more than **15.000 people** in 1 decade.

When he was 22 years old became the International Treasurer and Event Manager for the **European Confederation of Junior Enterprises** with headquarters in Brussels (Belgium), his rol was to foster the entrepreneurship spirit among Europe.

With 27 years wrote the book "**Hablar bien en público es posible, si sabes cómo**" (Ed. Paidós - Grupo Planeta). The first book in the world with the most common mistakes about Public Speaking, written as storytelling, including international testimonials.

Agustin has helped startups and companies to create Communication Plans, International Events, Media Strategies and Education Trainings. He has been interviewed by 150 Journals, Tv and Radio Media in Spain since 2013.

“ Helping people to **enjoy a life**
without straight fright ”
