Teachers' Academy

Course in: GLOBAL IT PROJECT MANAGEMENT
Prepared in partnership with PMI LITHUANIA CHAPTER
Based in Kaunas (VU KHF, Muitines 8), Lithuania

ABOUT THE PROJECT

A learning and development initiative that will come to life at the end of March, 2015.

Our objectives are:

- Establish and maintain appropriate learning & development support structure which would help in spreading world-class Project and Program Management knowledge to the students.
- Promote the fundamentals of PM as well as endorse tools and best practices for successful management of the projects.
- Demonstrate how to achieve project outcomes through the combination of technical and leadership competencies.

TEACHERS' ACADEMY DURATION

- 2.5 months.
- Biweekly lessons starting from 28st of March (there might be adjustments made to the schedule due to public holidays).
- 5-6 hours per day.

CLASS SIZE

10-12 students.

THE TARGET AUDIENCE

Teachers' from various universities seeking to develop additional skills and capabilities in Project Management Area.

YOUR TRAINING CONTENT WILL BE

- **Global Project Management:**

GPM Overview; Project Tailoring; Project Initiation; Project Definition; Project Estimating and Scheduling; Change Management; Risk Management; Project Control; Financials; Project Completion; Introduction to Agile, Kanban Methodology; Scrum Methodology; Project Management vs. Service Management; Service Management or "After Project".

- **Leadership:**

Delegation; Public Speaking.

YOU CAN PARTICIPATE IF YOU

- are at intermediate/advanced level of English language;
- are able to work in a team and multitask;
- are self-motivated and goal-oriented;
- have the ambition/aspiration to develop PM competencies;
- have positive outlook!

Then we want to talk to you!

APPLICATION

Apply by sending your CV and application form to LT_Universities@csc.com.

Application deadline – 13th of March 2015.
Notification about acceptance – 20th of March 2015.
